Fees for speaking vary according to the size of the requesting organization and the extent of the proposed schedule. Each speech or presentation is tailored to your audience. In general, fees are:

Keynote Address: \$3,500

Weekend Conference: \$5,000

Includes opening address plus two full days of interactive presentations and workshops.

Three hour half-day: \$2,000

(as part of a conference)

An interactive presentation.

One day: \$2,500

A full day of interactive presentations.

Add-on day: \$1,000

One day in-house vigil training introduction, working with supporting organizations. This is in addition to one of the above.

All sponsoring organizations to provide all related costs and expenses such as travel, housing, food, etc.

With the exception of in-house training, all fees include the right of the sponsoring organization to audio or video tape any or all parts of the presentations for purposes of their own archiving and/or limited re-sale, as seems best to the organization. All reproductions of talks should include notice that the material is under copyright by Sacred Dying Foundation. For our files, the sponsoring organization will be asked, as well, to provide gratis to Sacred Dying Foundation one copy of any reproduced materials plus copies of any promotional literature and press coverage that mentions Sacred Dying Foundation.

Fees are negotiable in certain circumstances.

(See other side for more detailed presentation descriptions.)
